Summary

Aspiring Software Engineer with hand-on experience in building scalable full-stack web and mobile applications using the MERN Stack, and React Native. Skilled in JavaScript, RESTful APIs and modern frontend/backend development, with a strong focus on clean architecture, performance optimization, and user-centric solutions. Passionate about Generative AI, AI-powered applications, and building intelligent, real-world products.

Skills

Full Stack & App: MERN Stack (MongoDB, Express.js, React.js, Node.js), Next.js, React Native

State Management: Redux, Context API | **Databases:** MongoDB, PostgreSQL, SQL

Programming Languages: C, C++, JavaScript, Python

AI & Automation: Generative AI (Gen AI), Prompt Engineering

Tools & Deployment: Git, GitHub, Postman, npm, Vercel, Render, AWS, CI/CD Pipelines

Work Experience

Software Developer Intern

Bluestock, Pune

Jun. 2025 – Jul. 2025

Education

Bachelor of Technology (B.Tech), Computer Science and Engineering

Government Engineering College, Raipur (CPI: 7.5/10)

Aug. 2022 – May 2026

Projects

International Journal of Pharmacy and Allied Fields

 <https://ijpaf.com>

- Developed a research journal platform to publish and manage academic articles
- Implemented responsive UI and content management features for seamless access

Scholint Publishers

 <https://scholintpublishers.com>

- Built a publishing platform to connect researchers and global audiences
- Designed structured pages for journals, articles, and submissions

CG Yatri

 <https://cgyatri.in>

- Developed a real-time tracking system for public transport
- Enabled live location updates and improved user commute planning

Automobile Survey

 <https://automobile-survey-zeta.vercel.app>

- Created a web app to collect vehicle data and customer queries
- Designed forms and data handling for efficient information gathering

Awards and Achievements

- Active participant in 8+ hackathons and organized 2 college-level hackathons
- Captain, Table Tennis Team (Department & College)
- Founder & Head Coordinator of Cultural Community, led 10+ successful cultural events

Certifications

- MERN Stack Bootcamp - GeeksforGeeks, December 2025
- Backend Domination - Physics Wallah, August 2024
- Frontend Domination - Sheryians Coding School, November 2023
- Applied Data Analytics: A Practical Approach - NIT Raipur, June 2023
